March 3, 2021

To whom it may concern:

I have reviewed the data for the American Albacore Fishing samples submitted to Eurofins Central Analytical Laboratories in 2020 and found no detectable amount of radiation above our limit of quantitation during the sampling period. There is no observable trend in the data.

A handwritten signature in blue ink that reads "Victoria S. Siegel". The signature is written in a cursive style and is positioned above a solid black horizontal line.

Victoria S. Siegel, Ph.D.
Analytical Service Manager
