Fisheries Certificate Schedule

AAFA and WFOA North Pacific Albacore

Client/Certificate Holders:

American Albacore Fishing Association (AAFA) and
Western Fishboat Owners Association (WFOA)

Management System: Internationally through the Inter-American Topical Tuna Commission (IATTC) and the Western and Central Pacific Fisheries Commission (WCPFC), with the USA national measures as applied through the Pacific Fishery Management Council (PFMC) and US National Marine Fisheries Service (NMFS).

Chain of Custody: The certificate extends to the point of sale by AAFA and WFOA members and other eligible vessels. The current list of eligible vessels can be found at the following links:

<http://pacificalbacore.com/wfoa/msc/>

<http://www.americanalbacore.com/wp-content/uploads/2018/05/AAFA-Roster-2018.pdf>

Vessels may land at unloading stations on the Washington, Oregon and California coasts, where appropriate recording and monitoring of catches takes place.

In the course of the certification it is possible that further companies/vessels may join the client group. This would be in accordance with the MSC's stated desire to allow fair and equitable access to the certification. Any vessels joining the Unit of Certification must recognize any requirements of MSC certification applied to AAFA vessels.
